BAIL INCREASE REQUESTED BY PEACE OFFICER

(PENAL CODE SECTION 1269)

In the event that law enforcement has reasonable cause to believe the amount of bail set forth in the Bail Schedule is insufficient, the arresting officer shall provide the booking officer at the custodial jail a copy of a 1269 Pen. Code declaration requesting an order setting a higher bail. Once a copy of the 1269 declaration has been given to the booking officer, no one shall release the defendant except at the requested bail. The arresting officer has eight (8) hours to obtain approval of the on-call judge. If no magistrate approved 1269 declaration is provided to the booking officer within eight (8) hours of the initial booking, then the defendant may be released at the amount of bail as indicated by the Bail Schedule. Any magistrate approved 1269 declaration must be filed with the Complaint.

SOURCE OF BAIL FUNDS CHALLENGED

(PENAL CODE SECTION 1275.1)

In the event law enforcement has reasonable cause to believe that bail has been or may be obtained by felonious means, the arresting officer shall provide the booking officer at the custodial jail a copy of a copy of a declaration requesting an order pursuant to Penal Code section 1275.1. Once a copy of a 1275.1 form has been given to the booking officer, no one may release the defendant. The arresting officer has eight (8) hours to obtain approval of the on-call judge. If the on call judge approves the 1275.1 application, the defendant may not be released except upon the order of a Judge after a *noticed hearing* in Court. If no magistrate approved 1275.1 application is provided to the booking officer, then the defendant may be released at the amount of bail as indicated by the Bail Schedule. Any magistrate approved 1275.1 application must be filed with the Complaint.

PENAL CODE SECTION 1269b – ADOPTION OF BAIL SCHEDULE

"(c) It is the duty of the superior court judges in each county to prepare, adopt, and annually revise a uniform countywide schedule of bail for all bailable felony offenses and for all misdemeanor and infraction offenses except Vehicle Code infractions. The penalty schedule for

infraction violations of the Vehicle Code shall be established by the Judicial Council in accordance with Section 40310 of the Vehicle Code.

(e) In adopting a uniform countywide schedule of bail for all bailable felony offenses the judges shall consider the seriousness of the offense charged. In considering the seriousness of the offense charged the judges shall assign an additional amount of required bail for each aggravating or enhancing factor chargeable in the complaint, including, but not limited to, additional bail for charges alleging facts that would bring a person within any of the following sections: Section 667.5, 667.51, 667.6, 667.8, 667.85, 667.9, 667.10, 12022, 12022.1, 12022.2, 12022.3, 12022.4, 12022.5, 12022.53, 12022.6, 12022.7, 12022.8, or 12022.9 of this code, or Section 11356.5, 11370.2, or 11370.4 of the Health and Safety Code.

In considering offenses in which a violation of Chapter 6 (commencing with Section 11350) of Division 10 of the Health and Safety Code is alleged, the judge shall assign an additional amount of required bail for offenses involving large quantities of controlled substances."

BAIL SET BY JUDGE MUST BE REASONABLE

Penal Code 1275:

"(a) In setting, reducing, or denying bail, the judge or magistrate shall take into consideration the protection of the public, the seriousness of the offense charged, the previous criminal record of the defendant, and the probability of his or her appearing at trial or hearing of the case. The public safety shall be the primary consideration.

In considering the seriousness of the offense charged, the judge or magistrate shall include consideration of the alleged injury to the victim, and alleged threats to the victim or a witness to the crime charged, the alleged use of a firearm or other deadly weapon in the commission of the crime charged, and the alleged use or possession of controlled substances by the defendant.

(b) In considering offenses wherein a violation of Chapter 6 (commencing with Section 11350) of Division 10 of the Health and Safety Code is alleged, the judge or magistrate shall consider the following: (1) the alleged amounts of controlled substances involved in the commission of the offense, and (2) whether the defendant is currently released on bail for an alleged violation of Chapter 6 (commencing with Section 11350) of Division 10 of the Health and Safety Code.

(c) Before a court reduces bail below the amount established by the bail schedule approved for the county, in accordance with subdivisions (b) and (c) of Section 1269b, for a person charged with a serious felony, as defined in subdivision (c) of Section 1192.7, or a violent felony, as defined in subdivision (c) of Section 667.5, the court shall make a finding of unusual circumstances and shall set forth those facts on the record. For purposes of this subdivision, "unusual circumstances" does not include the fact that the defendant has made all prior court appearances or has not committed any new offenses. "

In *People v. Accredited Surety & Casualty Co., Inc.* (2004) 125 C.A.4th 1, 4, the appellate court commented:

"[1] The amount of bail is primarily within the discretion of the magistrate or judge, limited only by the general rules that bail should be fixed to secure the appearance of the defendant and not to punish, and it should not be excessive. (See 4 Witkin & Epstein, Cal. Criminal Law (3d ed. 2000) Pretrial Proceedings, §87, p. 286.) The judicial officer has discretion to reduce bail below the minimum established by the bail schedule. In that case, the judge or magistrate must state the reasons on the record and, in some circumstances, make findings of fact on the record. (See, e.g., §§1270.1, subd. (d) & 1275, subd. (c).)"

OR RELEASE / SETTING OF BAIL FOR MISDEMEANORS

PENAL CODE SECTION 1270

"A defendant who is in custody and is arraigned on a complaint alleging an offense which is a misdemeanor, and a defendant who appears before a court or magistrate upon an out-of-county warrant arising out of a case involving only misdemeanors, shall be entitled to an own recognizance release unless the court makes a finding on the record, in accordance with Section 1275, that an own recognizance release will compromise public safety or will not reasonably assure the appearance of the defendant as required. Public safety shall be the primary consideration. If the court makes one of those findings, the court shall then set bail and specify the conditions, if any, whereunder the defendant shall be released."

BAIL CONDITIONS / OWN RECOGNIZANCE RELEASE AGREEMENT

CONDITIONS

Gray v. Superior Court (Medical Bd. of Cal.) (2005) 125 C.A.4th 629, 642:

"... trial court possesses inherent authority to impose conditions associated with release on bail. (See generally *In re McSherry* (2003) 112 Cal.App.4th 856, 860-863 (*McSherry*); 1 Criminal Law Procedure and Practice (Cont.Ed.Bar 7th ed. 2004) §4.26, p. 76 ["Magistrates have the authority to set bail on conditions that they consider appropriate. [Citation.]"].) In *McSherry*, the court reasoned that if a trial court is statutorily authorized to impose bail conditions on a person charged with a misdemeanor (see Pen. Code, §1270, subd. (a)), then the Legislature surely intended similar conditions could be imposed when a defendant facing felony charges is released on bail. (*McSherry*, supra, 112 Cal.App.4th at p. 862.)

[14] Before legislative amendments to the Penal Code in 1987, the only permissible purpose of bail was to ensure the defendant's presence in court. (*McSherry*, supra, 112 Cal.App.4th at p. 860.) Now, "public safety ... is ... the primary factor for the court to consider in the setting of bail." (Id. at p. 861; see also Pen. Code, §1275, subd. (a).)"

See *In re York* (1995) 9 Cal.4th 1133, for setting conditions for Own Recognizance Release (OR); Penal Code section **1318**:

"(a) The defendant shall not be released from custody under an own recognizance until the defendant files with the clerk of the court or other person authorized to accept bail a signed release agreement which includes:

(1) The defendant's promise to appear at all times and places, as ordered by the court or magistrate and as ordered by any court in which, or any magistrate before whom the charge is subsequently pending.

(2) The defendant's promise to obey all reasonable conditions imposed by the court or magistrate.

(3) The defendant's promise not to depart this state without leave of the court.

(4) Agreement by the defendant to waive extradition if the defendant fails to appear as required and is apprehended outside of the State of California.

(5) The acknowledgment of the defendant that he or she has been informed of the consequences and penalties applicable to violation of the conditions of release."

DENIAL OF BAIL

See *In re Nordin* (1983) 143 C.A.3d 538; Art. I, section 12, of the Cal. Constitution:

"A person shall be released on bail by sufficient sureties, except for: [¶] (a) Capital crimes when the facts are evident or the presumption great; [¶] (b) Felony offenses involving acts of violence on another person when the facts are evident or the presumption great and the court finds based upon clear and

convincing evidence that there is a substantial likelihood the person's release would result in great bodily harm to others; or [¶] (c) Felony offenses when the facts are evident or the presumption great and the court finds based on clear and convincing evidence that the person has threatened another with great bodily harm and that there is a substantial likelihood that the person would carry out the threat if released. [¶] Excessive bail may not be required. In fixing the amount of bail, the court shall take into consideration the seriousness of the offense charged, the previous criminal record of the defendant, and the probability of his or her appearing at the trial or hearing of the case. [¶] A person may be released on his or her own recognizance in the court's discretion.
